

Persons with Disabilities Median Earnings

Median Earnings for Persons with Disabilities (Ages 16 and over)

This Indicator Measures... the median earnings during the 12 month reporting period for those who are 16 years and over with a disability with earnings.

Goal: Upward Trend. ↑

This is Important Because... persons with disabilities can contribute equally to the work force and community as well as benefit economically and socially.

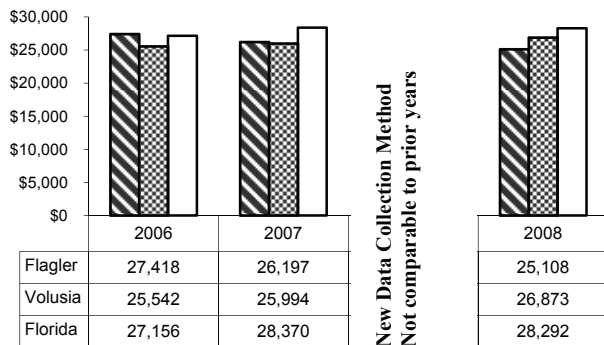

Source: U.S. Census, American Community Survey
 Note: The age grouping is predetermined by the American Community Survey. This data is not available annually prior to 2006. The Census Bureau used a new set of questions in 2008 and recommends against comparisons to prior years.
